

# FlaxSheen® Muscle Spa

Based on a Herbal Blend  
to Invigorate and Soothe

**FlaxSheen® Muscle Spa** is a soothing rub that can be used for therapeutic, relaxation, and pre/post-event massages. This product was originally designed to fill the demand for a post-event massage formula for performance horses however it has been found to be useful for all massage treatments. FlaxSheen® Muscle Spa will not only provide a form of lubrication for massage, if left on the skin, it will also provide a protective barrier that shields the skin from the elements, as it moisturizes. This is an extremely versatile product which can be used at full concentration for massage, diluted in warm water to provide a soothing and hydrating rinse after exercising, or blended with various custom ingredients, such as Witch Hazel. This product is non-toxic and petro-chemical free.

### Contains:

Canola Extract  
Rosemary Extract  
Eucalyptus Extract  
Peppermint Extract

### Benefits of Choosing Muscle Spa:

- Uniquely Canadian 
- Natural alternative to traditional petroleum based massage balms
- Invigorating and soothing scent
- Contains natural antibacterial properties
- Rich in Omega-3 and Omega-6
- Non-toxic
- Provides a lasting protective barrier once massaged into skin
- Moisturizes skin as well as helps skin to retain it's natural moisture
- Created by a certified Equine Science graduate for people with a passion for both horses and aromatherapy

### Testimonial:

*"As compared to any other horse products, EquineEssentials (FlaxSheen) not only meets the match but offers the satisfaction in knowing that your horse's health and shine is brought to you through nature's roots."*

Paul Halpern and the Staff of Stable 54
